2. Cut out all card pieces on the solid black line.

Play the game!

The object of the game is to find all the matching pairs of cards.

1. Shuffle the cards and lay them face down.
2. Each player takes turns selecting two cards to flip over.
3. If the selected cards don't match, return to face down.
4. If the cards match, remove them from the playing area and take another turn.
5. The winner is the player with the most pairs of matching cards.
6. The game is over when all cards are gone.
